

Combination Agreement

The below mentioned products are in principle appropriate to be combined with the below mentioned **VERMEIREN** products provided that the combination is made expertly and according to the restrictions of both manufacturers. The restrictions can be asked at the manufacturers.

SUNRISE MEDICAL product	VERMEIREN product
Empulse R20	D100, D100 30° D200, D200 30° V200D V300D, V300D 30°, V300 DL V500 30° Eclips +, Eclips + 30° Eclips X4, Eclips X4 30° Bobby Inovys II, Inovys II-E

Please note that mounting and limitations has to be effected according to the Sunrise Medical and VERMEIREN mounting instructions by authorized and skilled staff only.

The maximum values and restrictions (e.g. user weight) mentioned in the user manual of both manufacturers must be observed. It is required by Vermeiren, that the R20 can only be used with the above mentioned products, if they are equipped with an anti-tip.

Machining, bending, welding or bracing on any safety relevant components is not allowed.

The combination agreement has been made in two copies, one for each party.

Authorized representatives of the parties have executed this agreement.
